Further Update on Taiwan Arms Sales Issue

REFERENCES

Update dated 6 July : A.

Gregg to Clark Memorandum of Taiwan

Arms Sales

- 1. On 7 July the President approved the revised package described in the first reference. At this writing the President is deciding whether to add a short personal letter to Deng Xiaoping expressing his hope that the arms sales issue can be resolved.
- 2. The second reference is a memorandum I drafted which Don Gregg and Gaston Sigur today sent to Judge Clark with an endorsement from Poindexter. It makes the revised package a little more attractive to the Chinese without further compromising our position. The rest is up to the Chinese.
